REPORT ICE ACTIVITY: 1-844-724-3737

ABOUT WAISN

The **Washington Immigrant Solidarity Network (WAISN)** is the largest immigrant-led coalition in the State of Washington. We work to provide support, capacity, and resources to organizations' efforts to build power and act as a united immigrant justice voice statewide.

WAISN's mission is to protect and advance the power of immigrant and refugee communities through a multiracial, multi-ethnic, multi-gender, multi-generation, multilingual, and multi-faith coalition.

Our organizing strategy educates and mobilizes statewide to uphold and defend the rights and dignity of all immigrants and refugees, building immigrant leadership and centering the voices of impacted communities.

RESOURCE FINDER

The **WAISN Resource Finder** is a bilingual (Spanish and English) database of resources vetted for accessibility to immigrant community members in Washington state. It is searchable by keyword, county, and over 25 categories of resources and contains detailed information about ID requirements, language accessibility, and how immigration status might impact access to the resource.

The Resource Finder is also intended to be used by community organizations in Washington State that assist our immigrant and refugee siblings across the state in gaining access to necessary resources.

The Resource Finder is an essential tool used by the WAISN Hotline to connect community members to resources.

ABOUT THE WAISN HOTLINE

The **WAISN Deportation Defense Hotline** is the only statewide hotline dedicated to serving all Washingtonians regardless of immigration status. Since 2017, we have been building connections and trust with community members across the state, and we are the one-stop shop for connecting Washington immigrants to more than 1,400 resources, extending from food banks to homeless shelters and legal referrals.

The hotline serves as an added **accountability measure** to the way immigration enforcement shows up in our communities. We are best known for documenting Immigration and Customs Enforcement (ICE) and Customs and Border Patrol (CBP) activity and any violations of the U.S. Constitutional Rights or human rights abuses towards all Washingtonians by these agencies.

Language support: All Hotline operators are bilingual in Spanish and English. Interpretation services available in nearly 300 languages.
